Dear Martha,

It has been
so much fun knowing
you these many years. You
are one of the sweetest girls
I know and the most thoughtful.

We have had many good times
together and here's hoping we have
many more. Maybe we have had some
pickings and a few pretty arguments, but
I still think you are a pretty sweet girl,
as we go through these halls of B. H. S. together for
the last time, let us never forget the wonderful times
we have had together.

Remember especially the times we have had in
Latin II. (as if you could forget) the translations we have
struggled through these last few weeks. And of course
Miss Hill. Who could ever forget her who has had her
But, seriously, I really love you very, very much and
I know I shall never forget you. I shall always cherish
the memories of our days in high school and hope you
these last two years of our high school and hope you
have even more good times than before.

Love,
Anne

Dedication

We, the Senior Class of Burlington High School, do
sincerely dedicate this DOE-WAH-JACK to

MISS HELEN HOLT

lest we forget her smile—so bright, so ready; her hands
—so capable, so willing to help; her heart—so full of
warmth and kindness.

In Retrospect

In past years as the Senior classes departed they left B.H.S. and its traditions in the hands of their successors. The rising class in turn governed the school, took part in her activities, and learned to be better citizens within her walls.

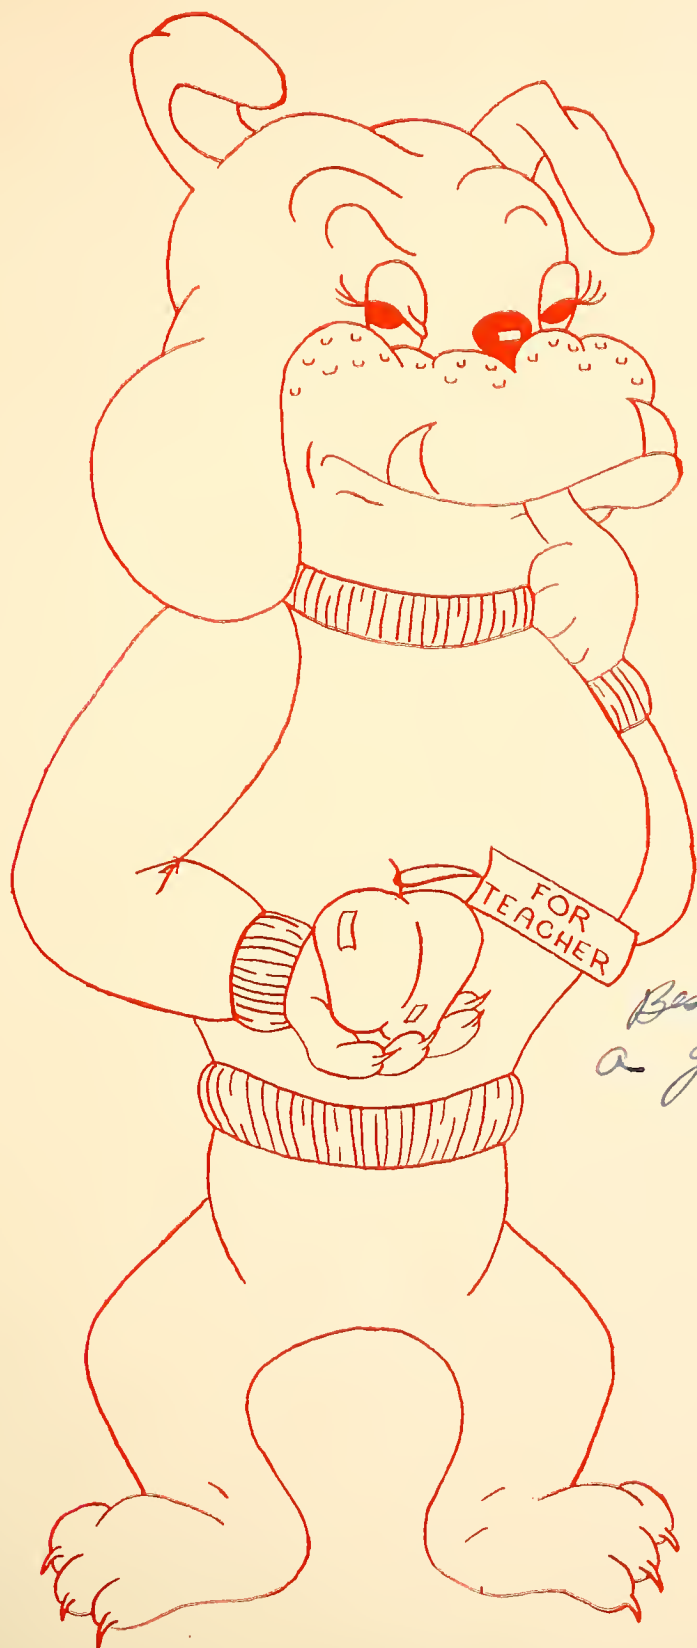

This year, however, differs in that a Senior class leaves B.H.S. for the last time. Her corridors, which have echoed time and again to the sounds of happy laughter, hurried footsteps, and the shrill ring of tardy bells, will echo the sounds of the workman's tools—the saw, hammer, and the chisel.

The underclassmen who in the past have so cagerly asserted their right as Sedate Seniors will do so next year in the new Walter Williams High School. They must establish anew their traditions, built upon the foundations laid by the loving hearts and willing hands of those who have had instilled in them the spirit which is B.H.S.

This is the end and the beginning. As milestones mark distances on a long highway, so these treasured memories mark the termination not only of our high school career, but also of the life of B.H.S. This book is a monument to her enduring spirit.

Thus wherever we go, the memories of the past that we portray here will add to the richness of the present.

... Lest We Forget

... how we'd roll over and catch just another five minutes of shut-eye.

... all those books that kept disappearing from our cubby holes.

... Miss Taylor's algebra classes with square roots and logarithms.

... the sessions with the U. S. Budget and the disadvantages of mass production.

... the groans that issued forth from the geometry classes while the poor victims struggled with lines and angles.

... those assembly programs when we were entertained by the young man with the horn.

... how thrilled we were when we opened the tiny box and there it was.

... the efficient click of typewriters sounding through the downstairs hall.

. . . the pride with which we wore our football pins and waved our B.H.S. pennants.

. . . how faithfully the staff worked to meet the deadlines that gave us the *Barker*, the courier of B.H.S.

. . . the one who wore your club pin, the one you dated for that special dance, the one who was there when the going got tough—your steady.

. . . the mad dash for the lunch line and the jokes and giggles that were passed with the salt.

. . . those scientific odors and window shattering explosions issuing from the lab.

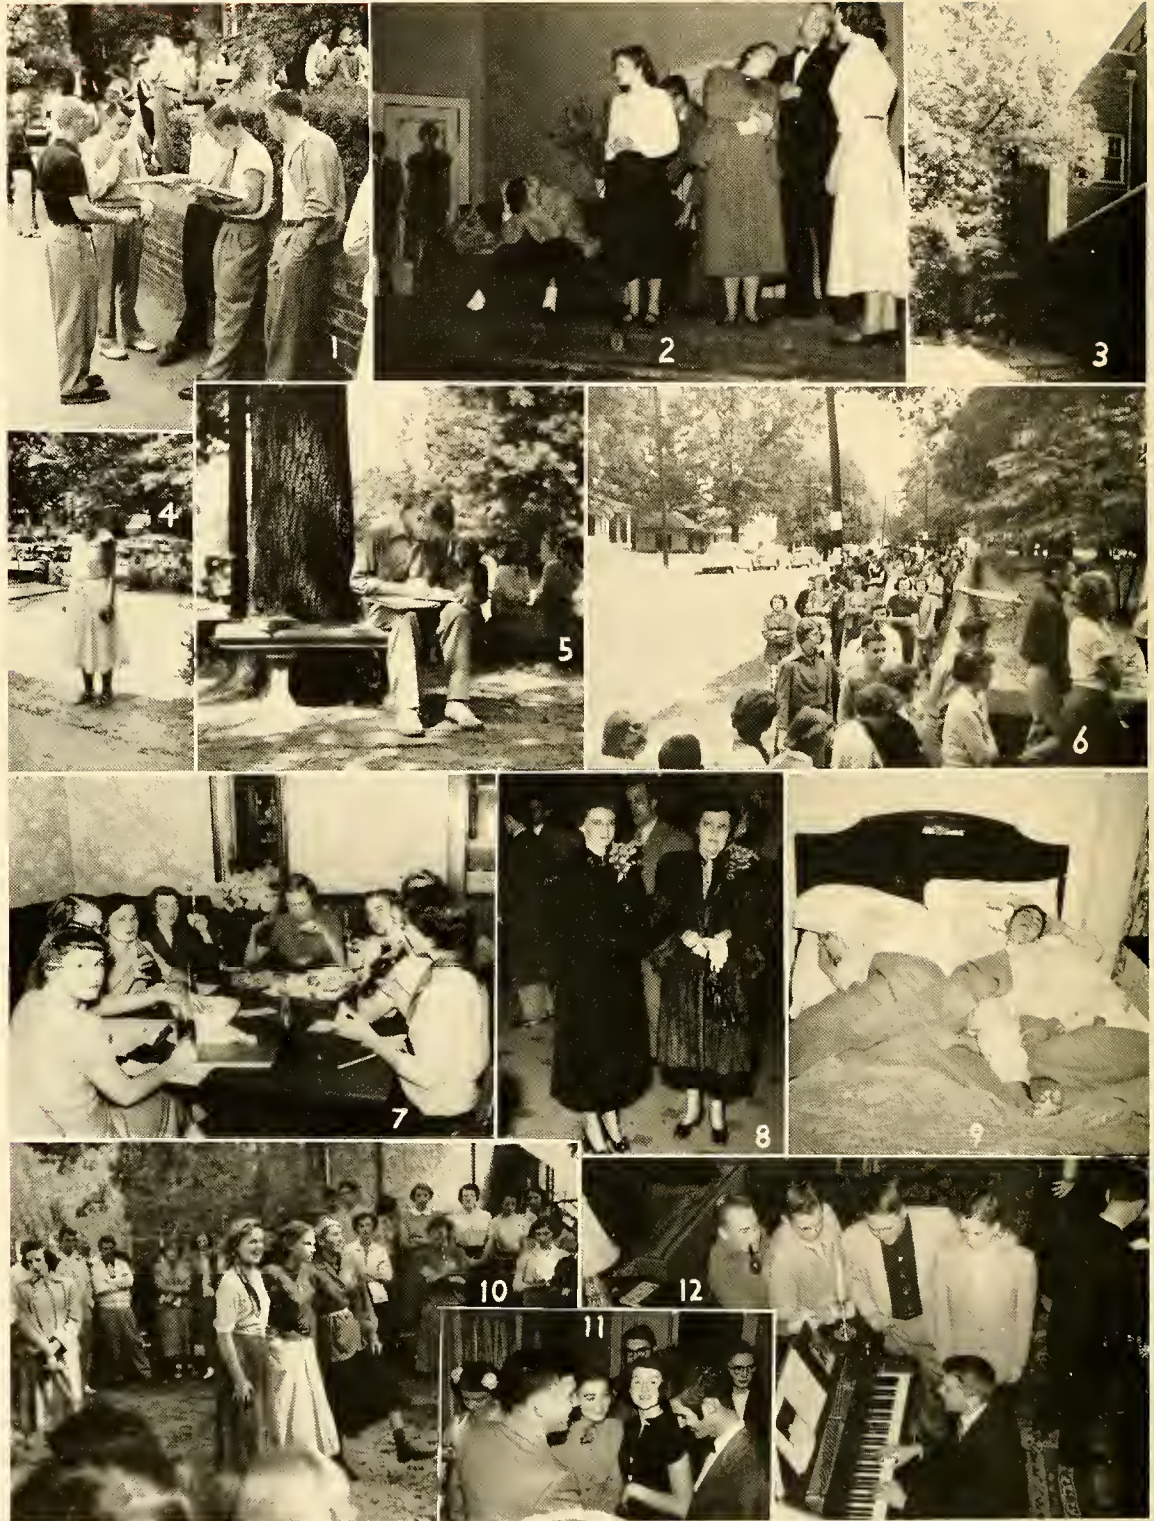

. . . the last glance in the mirror, the final tug at the tie, a knock at the door—"Oh, for me?"

. . . the excitement of the staff, the presentations, the seemingly endless wait, and—"Have you signed mine?"

. . . the last of the senior socials, the stately march down the aisle, the warm, meaningful handclasp, the culmination of our high-school dreams!

... To Reflect

1. Have you signed mine? 2. "Professor, How Could You?" 3. Alma Mater. 4. Amazing Grace. 5. Amusing George. 6. Saved by the fire bell. 7. Annual staff at work. 8. Belles of New York. 9. Barker staff at work. 10. The New Look. 11. "Our Miss Brooks". 12. We've lost the Lost Chord Again.

... The 1951 Doe-Wah-Jack

One of the highlights of the year is the day the annual comes out. Because it is a cherished possession of all students, the Seniors in particular, your staff tries its best to give you a book of which you can be proud. Each year the staffs are carefully selected and only those with a B average on grades and an A average on conduct are eligible.

The jealously guarded secrets, the whispered conferences, the ceaseless work, and the great effort—all go into the making of the DOE-WAH-JACK. If we please you, the students, with this, your book, we feel sufficiently rewarded.

... The 1951 Barker

The editions put out by the *Barker* staff this year have been the best ever produced by B.H.S. students. Each member of the staff has his individual task to perform and carefully plans his work for each edition.

The staff puts out six papers a year with a "nose for news," a flair for originality, and an eye for personalities. Each year the *Barker* staff trains several Junior assistants in the positions that they will serve the following year. A scholastic rating of B and a conduct grade of A is required before anyone is eligible for a position on the staff.

... To Remember the High-Steppers

The Drum Major and Majorettes participate with the band in all its activities during the year. They add much sparkle and color as they prance in front of the band on all occasions.

When seen marching they are: Drum Major—Bill Matthews, Majorettes—Patsy McBane, Marie Hill, Betty Thompson, Doris York, Mary Jane Waddell.

... Our Resurrected Ensemble

We pay due honor to the first mixed chorus we have had since 1947. The mixed chorus renders its talents to civic clubs and school organizations. It is composed of Senior girls and Freshman, Sophomore, and Junior boys. The mixed chorus hopes in the near future to give operettas, with the rise of the excellent facilities offered in the new high school. The directors of the mixed chorus are Miss Eva Wiseman and Miss Edna Williams.

... Our Younger Prima Donnas

The Junior, Sophomore, and Freshman girls, who wanted to take part in the Glee Club this year, were combined into one Glee Club. It has become one of the largest Glee Clubs of Burlington High School. Three of the team members were honored by participating in the Bowl games. Bobby Brincefield and Bobby Inge played in the Optimist Bowl, and Bill Kirkman, all State and all Southern, captained the Northern Shrine Bowl team.

The members of the 1950 Baseball team are: *First row, left to right:* Perry, Stout, Thompson, McPherson, Smith. *Second row:* Harris, Kirkman, Burgess, Sutton, Huffman, Coach.

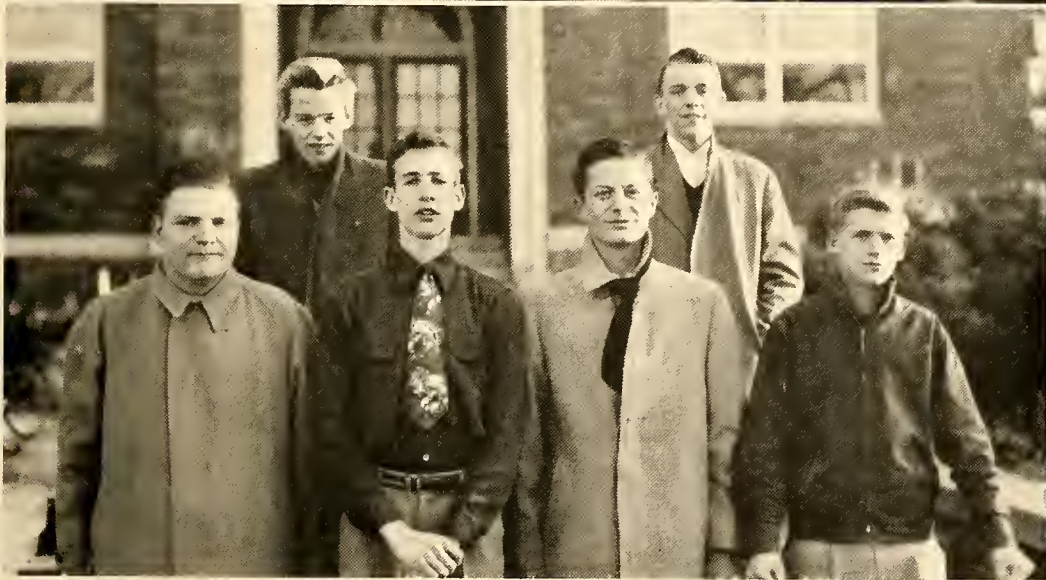

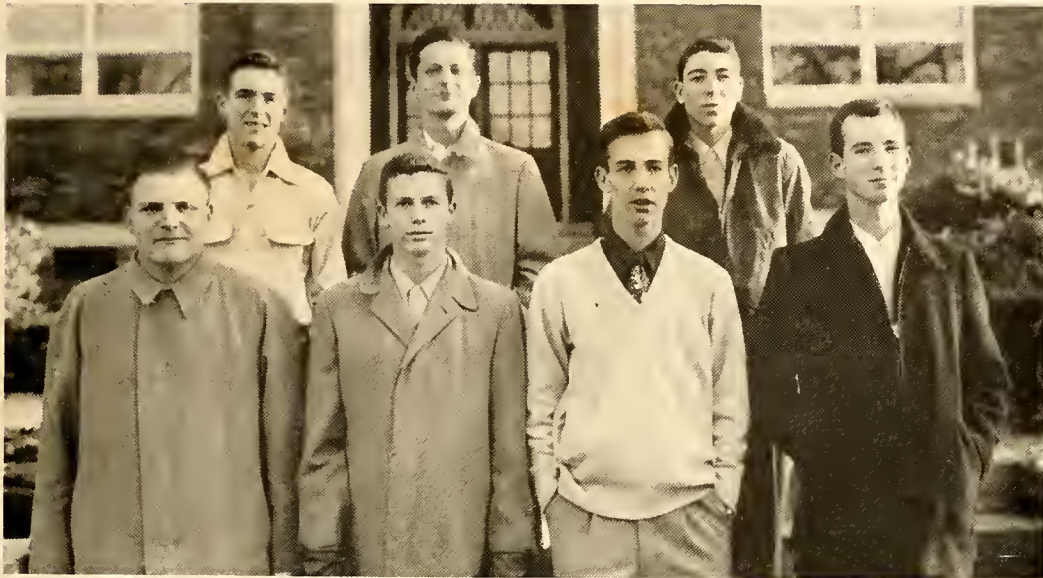

. . . Fervor of the Fans

Whenever a sports contest was afoot, B.H.S.'s fans were always on hand to cheer our teams to victory. Even when the Bulldogs were on the short end of the score, the fans stuck by them. "Black and Gold, Ain't we Bold."

... To Cite the Masters of the Green

The B.H.S. golf team closed the 1951 season with another record of successful matches led by the veteran golfers who have left us a fine record to look back on. May the future be as generous as the past with her "Ben Hogans." The members of the team are: *First row, left to right:* Burke, Chapman, Moore, S.; Rackley. *Second row:* Moore, J.; Lane, Nicholson.

... To Recall the Racquet Wielders

The competent court crew of 1951 kept up the glory of B.H.S. with its frequent tennis matches. In the hands of these boys a tennis racquet became a tool for building a reputable name in sports for B.H.S. This year's team consists of: *First row, left to right:* Burke, Moore, Lane, Terrell. *Second row:* Shoffner, Young.

*Another, and how really been nice knowing you this year
and of the old days being so close by. Hope you all
enjoy the new year. Best luck.*

. . . Healthy Minds Through Healthy Bodies

The physical education program, which is set up for boys, includes horseshoe, touch football, softball, and tennis. During the fall and spring the program is after school, three days a week. During the winter months, the program is carried on two nights a week. Two years of physical education is required for boys in order to graduate.

. . . The Feminine Touch

The Physical Education program at Burlington High School has added intramurals which is now put on a yearly basis. This program is set up to give the girls and boys extra activity outside of school hours. Basketball and tennis has been provided for girls. We feel that all boys and girls should take a part in athletics and develop stronger and more active bodies.

... To Honor

... Their Preparations for the Future

Distributive Education teaches the students the way of distributing goods and services. Each student in this program is planning for his career by learning his preferred vocation through active participation on the job. Using "Experience is the best teacher" as a guide, these future citizens will leave B.H.S. well prepared for life.

... To Apply Our Knowledge

Every girl at B.H.S. learns the art of successful homemaking. Day by day she gleans through careful guidance, the basic fundamentals of her life. She becomes a seamstress, a dietitian, interior decorator, and a home nurse.

... To Study and Search Diligently

The B.H.S. library affords an excellent place for research, cultural training, and pleasure reading. The orderliness of the library is due to the efficient management of Miss Ruth Stone, our librarian and her capable staff.

... Services With a Smile

Our school is a cleaner, more pleasant place in which to study due to the efforts of the Janitors and Maids.

Rain or shine, our school buses make their rounds each day to carry students to and from school.

Students are served hot nutritious meals in the cafeteria every day. Mrs. Burns, manager; Mrs. Hernden, Cashier.

WHAT
 MAKES
 A CHAMPION
 ATHLETE?

IS IT CONDITIONING . . . coaching . . . teamwork . . . physique . . . sportsmanship . . . competitive spirit . . . or just plain honest-to-goodness athletic skill?

We don't pretend to be athletic experts, because our job is to manufacture high quality textile products. But as sporting fans we think it would be safe to say that an athletic champion is the result of all these fine qualities.

We know that it has taken a combination of great leadership, manufacturing know-how, careful planning, employee loyalty, and skilled teamwork to make Burlington Mills a champion in the textile industry. The Company's many accomplishments and progressive growth during the past 27 years are well known. We are proud of this record and equally proud of our 32,000 employees who have worked together with real team spirit as members of the Burlington team.

It's a fact that Burlington's fine fabrics, hosiery and other textile products are truly "Woven Into the Life of America" — just as every Burlington plant is woven into the life of its own community.
